

REMARKS

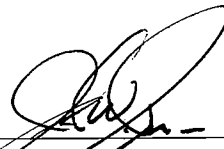

Applicant appreciates a telephone call initiated by Examiner Vilakazi wherein he requested the filing of a further Disclaimer on issued U.S. Patent No. 7,146,942 assigned to the present applicant. This patent has a later filing date than the current application, but in order to accelerate the prosecution of the present application, applicant is submitting the requested Terminal Disclaimer.

It is believed that the Examiner is aware of the Supplemental Information Disclosure Statement of record and it is requested that it be reviewed and made of record in the prosecution of this case.

If there are any further questions, the undersigned attorney can be contacted at the listed phone number.

Very truly yours,

SNELL & WILMER L.L.P.
